

UNITY CHURCH OF WIMBERLEY DIRECT DEBIT AUTHORIZATION

We are pleased to offer the Direct Debit method of donating regularly to Unity of Wimberley. Your gift will be **automatically** debited from your designated checking or savings account and deposited to the church's checking account at Ozona National Bank through the Automated Clearing House—ACH—services.

Direct Debit service includes a number of benefits:

- ❖ Eliminates the need to write physical checks, of course.
- ❖ Ensures your payment is made on your time table.
- ❖ Allows your giving intention to be maintained even when you are away.
- ❖ Provides safe, convenient, and easy giving.

Here's how Direct Debit works:

On the payment due date that you set, your designated payment will be debited from your account. The amount of the debit will appear on your bank statement.

This authorization gives UNITY CHURCH OF WIMBERLEY and your financial institution the authority to debit your account. Please provide your Direct Debit directions below:

I authorize UNITY CHURCH OF WIMBERLEY and the financial institution listed below to initiate electronic debit entries, and if necessary, credit entries and adjustments for any entries which were done in error. This authority will remain in effect until I cancel it in writing.
