

Care Team

Our Care Team is a compassionate group of service-oriented members who quietly support our church community during times of temporary need. We serve with kindness, respect, and confidentiality, offering practical assistance and a caring presence when it is needed most.

Services We Provide

Services may include, but are not limited to:

- Meal support
- Rides to doctor's appointments (when a driver is available)
- Grocery or pharmacy pickups
- Home visitation and companionship
- Flowers and encouragement

How to Request Care

If you or someone you know could benefit from Care Team support, please contact us at **care@unityofwimberley.com** or notify a Care Team member. We will do our best to provide temporary assistance with the resources available.

Beyond Individual Care

In addition to responding to individual needs, the Care Team helps foster a caring and connected church community. We coordinate expressions of support during times of illness, recovery, loss, or other life transitions, and encourage members to care for one another through acts of kindness, compassion, and service.

Community Outreach

The Care Team also extends its ministry beyond our congregation by supporting programs that address needs in the wider community, including:

- Participation in local food delivery programs.
- Coordinating the annual Holiday Ham Drive to help provide meals for families during the holiday season.
- Providing ongoing support for the Crisis Bread Basket through donations, volunteer efforts, and other assistance as needs arise.

These outreach efforts reflect our commitment to living our spiritual values through compassionate service to both our church family and our neighbors.
